## Spring 2020

**Welcome back to LPCC!** What an amazing Christmas concert we had! I was so very proud of our choirs! Please help your child get the most out of our choral program by helping them learn the words and the tunes to our Spring Semester songs. That gives us time in choir to teach things that are so important to your child becoming an educated musician; music reading, singing with correct vowel shape, intonation, tone production, breathing technique, etc. There's so much more to learn than just these songs!

**For absences, contact Robin Truax 225-603-8453.** We expect your child to attend all performances and rehearsals. If they must be absent, we ask that you let us know at least 2 weeks in advance. If ill, please contact us prior to the scheduled performance and/or rehearsal. We have lots to learn and limited time. We want your child to get the most out of LPCC! I look forward to another exciting semester with your child in LPCC!

Barbara Walker  
LPCC Artistic Director

### ***Non Nobis Domine***

***Non nobis, Domine, non nobis; Sed nomini tuo da gloriam;***

Translation: Not unto us, Lord, not unto us, But to thy name give glory.

***Sed nomini tuo da gloriam; Non nobis, Domine, non nobis;***

Translation: But to thy name give glory! Not unto us, Lord, not unto us.

### **Wind on the Hill**

No one can tell me. Nobody knows where the wind comes from,  
Where the wind goes. Goes! Where the wind goes.

It's flying from somewhere fast as it can.  
I couldn't keep up with it, not if I ran

No one can tell me. Nobody knows where the wind comes from,  
Where the wind goes. Goes! Where the wind goes.

### **Cotton-Eyed Joe**

Where did you come from? Where did you go?  
Where did you come from Cotton-eyed Joe?

Come for to see you. Come for to sing.  
Come for to show you my gold and diamond ring.

## **Bandicoot**

The bandicoot is fond of fruit. Australia's where she's found.  
She likes to dig up gardens there and burrow in the ground.

How **SANDY** for the bandicoot! (*whistle!*)

The bandicoot – who dotes on fruit – is fond of insects, too.  
She has a pouch to hold her young just like the kangaroo.

How **HANDY** for the bandicoot! (*whistle!*)

The pouch is on her belly. It closes on the top.  
And opens on the bottom, but the babies never drop!

How **DANDY** for the bandicoot! (*whistle!*)

**DANDY! HANDY! SANDY! *Bandicoot!***

## **Rocky Mountain (Appalachian folk song)**

Rocky mountain, rocky mountain, rocky mountain high,  
When you're on that rocky mountain, hang your head and cry.

Do, do, do, do, do remember me.

Do, do, do, do, do remember me.

Sunny valley, sunny valley, sunny valley low,  
When you're in that sunny valley, sing it soft and slow.

Do, do, do, do, do remember me.

Do, do, do, do, do remember me.

Stormy ocean, stormy ocean, stormy ocean wide,  
When you're on that deep blue sea, there's no place you can hide.

Do, do, do, do, do remember me.

Do, do, do, do, do remember me.

## **Jubilate Deo, Alleluia!**

**Pronunciation:** *Yoo bih lah teh Deh oh, Ah leh loo yah.*

Translation: Glory to God! Alleluia!

## **God Bless America – Finale with all choirs.**

God bless America, land that I love.

Stand beside her and guide her through the night with a light from above.

From the mountains, to the prairies, to the oceans white with foam.

God bless America, my home, sweet home.

God bless America, my home\_\_\_\_\_, sweet\_\_\_\_\_ home.

America! America! America!

**Apprentice Choir**, please also practice these Solfege exercises. They will help to train your musical ear and help you learn to read music. As you sing, practice using your hand signs. Really practice singing the Doh Chord (SMD) song. I want ALL of you to be in the Apprentice SMD Club! The SMD Club requirements are below and are also on our website! [www.LPCCsing.org](http://www.LPCCsing.org).

\*\*The last two tracks are more advanced and are for those who have been in Apprentice Choir at least one year already! They are really for Chorus & Chorale, but some of my 1<sup>st</sup> and 2<sup>nd</sup> graders are already singing them with their theory books, so I decided to include them here!

### Practicing the Doh Chord:

When Doh is in a **space**, then Me is in a space and Soh is in a space, The notes all in their **place**!

When Doh is on a **line**, then Me is on a line and Soh is on a line, To make a tune so **fine**!

## Apprentice Choir: SMD Club Requirements

The exercises below are practiced during Apprentice Choir rehearsals. These three notes (do, me and so) make up the tonic triad, the most important chord in music. Children may audition for the SMD Club before or after rehearsal each week. There is no limit on how many times they can try, but remind them to practice between rehearsals so they can learn the information faster.

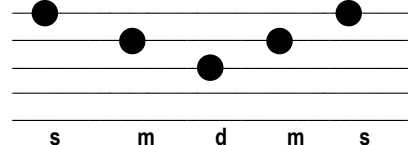

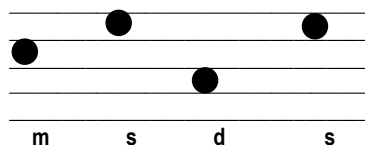

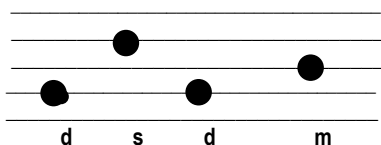

SMD Club members receive certificates at Awards Day and are listed in our Spring Concert Program. Outstanding Musician and Leadership awards are chosen from the SMD Club Members.

### During the Audition, each child will perform the following:

1. Sing the "DMS Song" (from "A Young Singer's Journey Book 1" and on your Apprentice Rehearsal CD) – with hand signs, in tune – in THREE keys: D, F and G major. He/she must be able to get their starting pitch from the piano introduction. *\*\*Practice with your CD to make sure you're singing the d-m-s song correctly.*
2. Sing DMS patterns – a cappella – by following Ms. Barbara's or Mrs. Karen's hand signs. These are EXAMPLES – not the test.

Example #1: d s m s Example #2: m d s m Example #3: s m d s

3. Sight-read THREE "dms" patterns on the staff from flash cards. (examples)
